Description:

Boztdown Never Enough is a beautiful compact female with excellent density, brightness and a stylish fleece. In 2022 Never Enough produced a stunning female cria Boztdown Lolita II with Boztdown Generation Now. Lolita is an excellent representation of what Never Enough can produce. She has been scanned positive 2023

Lolita catches your eye in field with her stunning presence and conformation. Her fleece has excellent length, density, uniformity of fineness and brightness. First fleece stats 17.3, SD 2.9, CV 16.6, CF 100

Never Enough did not have a cria this season as she was in early pregnancy when we had 40 degree heat here last summer and due to the heat and the timing of her pregnancy she reabsorbed. However, she has been remated to

Bozedown Generation Now this season and we expecting her to produce another beautiful offspring next year!

Never Enough has an excellent pedigree. On her sire's side she as run of Supreme Champion lineage with Bozedown Pernod, Galaxy of Bozedown and Jolimont Densey! Greatness doesn't stop there as she has Jolimont Rodigo 2 of Bozedown as per Grandsire on her maternal side. Fabulous genetics all around!

Name of covering male: Bozedown Generation Now (White)

Last Mating Date: 22nd June 2023

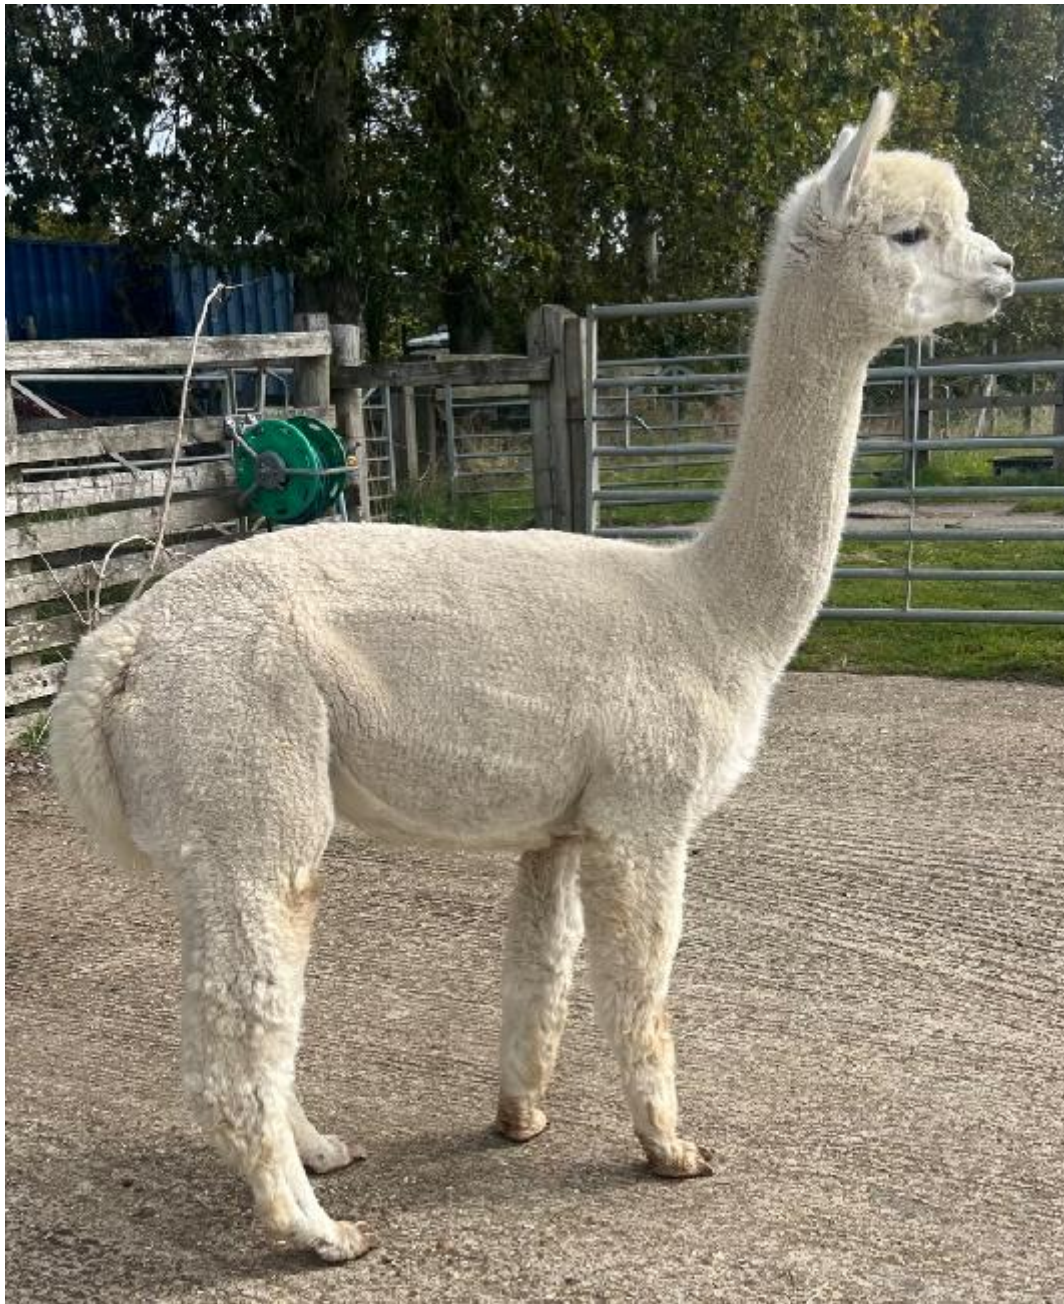

Estimated Date Cria Due (Pregnant Female): 22nd May 2024

Number of Crias bred from female: 1
