

**Date of Birth:** 1st June 2020

Smartie Pants is a lovely looking beige female with impressive genetics. She is the first female from this line to be released from the King Garth Herd and only because winter space is limited and several sisters are retained from this amazing line which goes back to Cambridge Lady Gaga. She is Sired by the famous Beck Brow Vidal. Her 2023 mid fawn cria is sired by King Garth Hipster and is a very good looking cria with a nice fleece. Smartie Pants is sold pregnant to Hipster. Her pregnancy is guaranteed for a live cria on the ground for 24 hrs or a remating to a King Garth Stud male. King Garth Smartie Pants is halter trained and has been used for alpaca experience visits. She is very good to handle and has a truly sweet personality. She birthed more easily than any maiden I have seen and is an excellent mother. She would be an exciting addition for any herd. I am really sad to see her go and she is for sale only because of space issues.
