Description:

Diva has a very dense and soft modern grey fleece which processes beautifully. She is a compact female with correct frame. She is reluctantly for sale but we are retaining her genetics by keeping her beautiful daughter and sister. She is halter trained and has a really sweet temperament making her easy to handle.

She is sold pregnant to King garth Solway Sandbar, who previously sired 2 very nice cria with Diva. Her pregnancy is guaranteed for a live cria on the ground for 24 hrs or a remating to a King Garth Stud male.

10% discount is offered if Liquorice is purchased with 2 or more King Garth alpacas.
