### Description:

A true solid black male stud! Which has everything what a breeder needs to improve and get colour into their herd. With his rare New-Sealand Genetics, he is a very interesting male!

He gave us with his offspring a lot of stunning cria's which won lots of prices on the national and international shows.

Alpaca Photo 2

A photograph of a cardboard box containing a large, dark, curly mass of alpaca fiber, likely the 'Super Alpaca' mentioned in the text. A blue ribbon award is attached to the box, and a small white card with text and a diagram is placed in front of it. The card is titled 'Yes Alpaca Fiber' and 'Super Alpaca Zaire' and features a diagram of a fiber cross-section. The box is sitting on a wooden surface, and the background shows a metal shelving unit.
