### Description:

Lane House Show Stopper &#127775; High quality multiple Champion white suri female &#127942;

We are reluctantly releasing some of our show stock due to downsizing our herd.

This stunning female has everything you look for in a suri. Incredible density and lock length with good fineness, uniformity and lustre. She stands on a very strong frame with great fibre coverage from head to toe. Daughter of 7 X Supreme Champion -

Lane House Calypso &#127942; and sharing the same dam as our other multiple supreme suri - Caprihanna Casper The Casanova, this girl is packed full of the best genetics.

She comes with a free mating in the spring to our super fawn suri male - Dark Sky Dr Enys (Son of Kurrawa Rebel On The Run)

This will be a very exciting combination with years of planning these genetic crossovers.

Show results -
