Longueville Park Brigalow
(True Black (Solid Colour) - Huacaya)

El Prado Morocco
True Black (Solid Colour) - Huacaya

El Prado Lola
(True Black (Solid Colour) - Huacaya)

Description:

We have made the decision to retire Morocco from our breeding program and he is offered for rehoming intact or wethered and a modest price will be negotiated accordingly. He has produced additional cria to those registered in the IAR (eAlpaca). His daughter Millicent and her cria have won blue ribbons. He passes on a very macho frame as well as bold medium frequency crimp and ample staple length with corresponding fleece weight.

EIPrado Morocco Dec 23
