Description:

Houghton Silver Dream - CHAMPION PROVEN GREY STUD MALE 🌟

After much deliberation we have reluctantly decided to release our champion grey herdsire, Houghton Silver Dream. This male has had a huge impact on our herd and has produced numerous champions & reserve champions in grey, modern grey, black & brown.

Unfortunately now as we have a lot of his genetics, he isn't getting as much work as he deserves. Son of the Legendary Houghton Noah II who has been a great influence for grey alpacas in the UK and these genetics aren't found easily. He carries a very fine, dense uniform fleece with one of his best traits being uniformity of colour. He has no spots at all on his blanket which is a very desirable trait.

This male is guaranteed to breed quality into any herd, no matter which colour you are breeding this boy can do it all!
