Date of Birth: 24th May 2024

Description:

Drax is a handsome little boy easily recognisable by his enormous fluffy ears!

He carries a good uniform fleece with an excellent staple length and very soft handle.

Drax would make a fantastic pet, lawnmower or fibre producer or future walker.

He is fully up to date with all husbandry and has started his halter training.

He must go in a package of 2 other males or into an existing herd.

Full after sales support and can often deliver.
