EXCITING OPPORTUNITY 🌟

Summerhaze Appaloosa Regatta
- Stunning proven leopard Appaloosa stud male.

Sire of multiple champion Appaloosa's 🏆

Appaloosa Regatta (aka Reggie) is a truly exquisite male. His fleece is very advanced - exceptionally dense, uniform and superfine with fantastic structure, highly aligned staples, great length and brightness throughout. He has absolutely perfect markings for a true leopard male from head to toe.
He stands on a strong frame with good bone capacity and fleece coverage. He has a short muzzle and true to type head

with a lovely deep jaw. Not only this, he also has a wonderful temperament to match.

He is a 3rd generation Appaloosa, so very strong genetics there going back to the legendary Ambersun Camouflage of Popham and Jolimont Warrior.

He has sired many stunning cria for us and 50% of his offspring have been true leopard appaloosa or harlequin. Including National Champion Appaloosa 2023 🏆

The only reason we are releasing this special leopard herdsire is because we have these genetics established in our herd and are retaining 2 of his exquisite sons for breeding going forward.

It's time for him to move on and produce top quality appaloosa's for another lucky breeder.
