### Description:

Spey is a stylish young female well grown for her age. She has excellent fleece stats, very even colour and a fleece with a lovely handle.

Both her dam's and her sire's genetics carry a lot of promise. She is a grand-daughter of Fowberry Nobility and a great granddaughter of Top Account of Fowberry. On her dam's side she has NZ genetics from her great grandmother Sherlin Mystic Madam of Campsie, a daughter of Pinjarra White Spirit.

We would recommend that Spey's first mating be to a great quality light coloured male.

Spey's dam Auld Mill Maisie is also listed for sale; we shall not sell both.
