### Description:

One of my favourite is Mark. Shows great potential with a thick fleece. Lustre brightness his fleece has it. Son of the amazing pinkney dragon. Who has won a page full of awards at show. Champions and first quit a lot of wins. Slow going sd for his age. Which is a super trate. Marks fleece is more like his award winning fathers than his mother. Mark was bottle feed which leaves me to believe he has so much unlocked potential genetically. Very friendly would be a great asset working with the public. He was bottle feed from 2 weeks and 5 days.

He has correct conformation. Very healthy alpaca. But we have quit a few dragon babies on the farm. So were releasing our beloved mark. Who is super friendly and kind alpaca
