Description:

Ness is a well-conformed and confident alpaca and has been a great mother to her first three cria, the first two of whom – Rabbie and Strachan – have exceptionally pleasing fleeces. Her third cria, Auld Mill Tweed has not yet been fleece tested but shows great promise too. Nes has a tremendous cut weight of fleece and great density in her fleece.

She is pregnant to solid white Fangdale Harry and we are very keen indeed to see the cria that they produce !
