Description:

Lusi Barty has a pedigree that is stacked full of award winning bloodlines that are known throughout Europe.

He is a male that has great substance of bone, balance and presence and he grows a fleece that is very dense, soft handling and his frame is well covered.

He is a classic grey with a very even and uniform coloured fleece and has a real 'look at me' attitude. Barty is very easy to handle and easy to work. We are very excited to see his first offspring arrive this summer. Grey stud males of this quality are hard to find.

Only for sale as we are selling out entire herd.
