### Description:

TOFT XANADU is a young solid dark fawn female out of TOFT VALDA (SW) and TOFT TIMOGEN our solid dark brown Champion male who is a son of the legendary LAVENDER PARK Tulley.

TOFT XANADU represents six generations of selective breeding here at TOFT and her lineage is packed with top class Australian and Accoyo genetics.

TOFT XANADU - is pregnant for 2025 to our Champion Solid Medium Brown Stud Male BECK BROW Ready or Not - a stunning young male we purchased in 2024 and this cria will be one of his first. We eagerly await the arrival of the next generation at TOFT Alpacas in 2025 from this very special male. This is the only girl available mated to this sire. As such TOFT Xanadu and her next cria represents the forefront of almost 30 years of selective breeding here at TOFT Alpacas. At a very reasonable price TOFT Xanadu presents a real opportunity for someone to access a lineage packed with top class genetics.
