Date of Birth: 27th June 2023

Description:

Tonks is a quality young female displaying a very nice fleece with a soft handle and high lustre with excellent staple length and good density.

Tonks boasts an excellent pedigree including solid proven grey lines on her sires side and top quality grey and black including Streslecki on her dams side.

Tonks is a great choice for breeders looking for grey and black lines.

She is registered as dark brown but is closer to a bay black now.

Tonks is also offered as a discounted package with her two friends Stella and Cleopatra.

Our entire herd tested clear of TB in April 2025.

Tonks has been well handled and is fully registered and up to date with all husbandry.
