**Description:**

Stella is a quality female from excellent Australian lines. She has a solid pedigree including elite whites jolimont Conquistador and Manfredo and plenty of elite grey and Rural Allianza Wiracocha on her sites side. Stella carries a fine fleece of 18.3 microns with excellent staple length and very uniform with a low standard deviation of 4.4.

Stella is an excellent choice for breeders looking to produce quality colour. Stella is ready to be mated this spring.

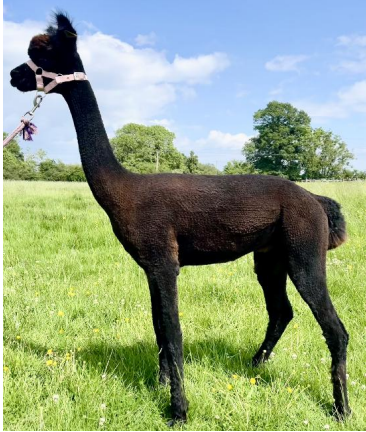

She is also offered as a package with 2 other dark females Cleopatra and Tonks.

Our entire herd was tested clear for TB in April 2025.

Fully up to date with all husbandry and halter trained.

Full after sales support and advice.
