Description:

Chestnut Farm Legacy is a lovely well grown young male.

He produces the most gorgeous soft handling fleece, which is bright, dense and uniform throughout the blanket and into the extremities.

Legacy is full brother to our Champion White male Chestnut Farm Defiant.

Legacy is halter trained and has been shown in the past and has always been placed.

Unfortunately Legacy didn't quite meet

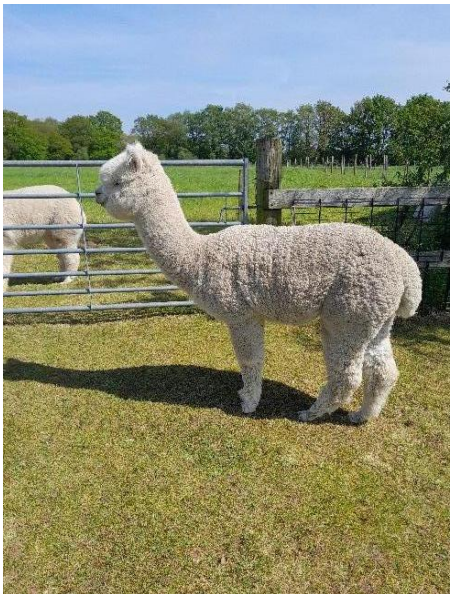

our strict requirements for a stud male so this is why we are selling him as a pet and fibre producer.

He will come with a printout of his medical history and will be up to date with all husbandry.

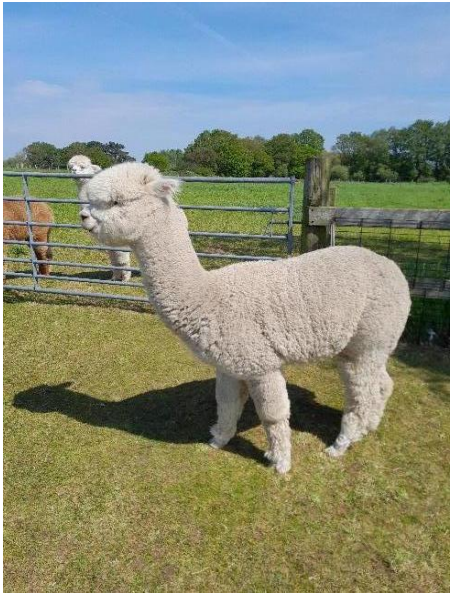

FEC will be done before he moves to a new home.

We offer full after sales support and advice.
