Description:

GREAT 3 IN 1 PACKAGE

FEMALE ALPACA WITH GORGEOUS LIGHT FAWN FEMALE CRIA AT FOOT

FAWN SIRE OF THE CRIA IS WHISTLEWOOD AZTEC, SON OF FUTURITY CHAMPION, BOZEDOWN COMANCHE

DEMELZA HAS NOW BEEN REMATED TO GREY CHAMPION, RIVENHERD AMOS

This lovely, most friendly female alpaca gave birth to a most gorgeous fawn girl a few weeks ago. The cria is growing well and very active. She is a great attentive, experienced mother who has never failed to produce an outstanding, good sized cria.

I am offering her and her cria at a very reasonable price. She has been covered by our stunning silver grey Champion for a cria in 2025 with 48 hour live cria guarantee or return to our farm for free service.

Our alpacas are BAS registered, microchipped and fully vaccinated with a ten-way vaccine. A free husbandry course is available with every alpaca purchased along with a free comprehensive guide, Caring for your Alpacas. Continued support is always available which is especially important to those who are new to alpaca keeping.

Delivery can be arranged.

Every Whistlewood cria born on the farm is a result of carefully selecting quality alpacas with diverse genetic backgrounds with a view to breeding healthy alpacas with lovely conformation and gorgeous fleeces. The foundation of our herd goes back to our grey Champions Bozedown Comanche (Futurity Champion), Rivenherd Amos (Championship and 2 reserve Championships) and black multi-Champion Stagshaw Samson.
