Description:

Pom Pom is a handsome well proportioned Macho from Inca blood stock. His sire being Inca Lewesdon. "Bred from 2019 BAS National Show Champion, Beck brow Jimmy Choos and from Inca Hoity who herself is a champion and from a highly decorated line that has produced alpacas such as Inca Gratitude, Inca Jealousy and Inca Hallmark. This male has been selected to be used as a sire as he brings another dimension to the Jimmy Choos line. He is very robust and has great substance of bone and strength. His fleece is extremely dense, long stapled, which his dam's line is famous for, and the fibres are uniform in colour and micron. With the additional black genetics originating from his dam, Inca Lewesdon gives a valuable option where colour needs to be brought to the fore whilst still adding high quality and productivity."

His Dam Inca Kaylea (can be viewed on site) is the mother of Inca Oklahoma, who has had an impressive show career culminating in 1st place Female Adult Black Alpaca at the National Halter Show 2023.

He possesses Superfine fleece with impressive style and density. Pom Pom is extremely well mannered and very easy to handle.

Microchipped and BAS listed.

Fully up to date with all husbandry.

Training from Veterinary surgeons and on-going support included if required.
