**Description:**

Kyra is a stunning yearling female. Sired by our multi championship winning male Inca Grey Limelight, she shows extreme promise on producing some superb offspring when her time comes. Kyra has been colour tested and has come back as Classic Grey Ee aa, so mated to the right male next year she could have a high chance of having grey offspring. She is registered as multi, but does have some grey fibres through her fleece. Her fleece is very soft handling, with good character and style.

Kyra is halter trained and easy to handle and would suit any new home. She will come with a vet check, Enferplex TB test, pregnancy scan, and 24/7 ongoing support.
