For a dark brown female, she displays a fine fleece (first fleece 18.10 microns) with good uniformity across the blanket and a lovely soft handle. Her first fleece length at 125cms is creditable. She is conformationally correct with good substance of bone. Zuri has an Impressive pedigree on both her Dam and Sire's side including influential Sires Softfoot Koo Wee Rup and Popham Havengore respectively. Zuri has a lovely gentle personality and is fully halter trained. Zuri comes with a free mating to one of our Stud Males Fangdale Milo. Zuri is also being offered as part of a package (advertised on this site) with the other females on our Sales list at a discount. (deborah@fangdalealpacas). We can arrange delivery if required and provide comprehensive after care support including training where necessary. Nicky is a British Alpaca Society Accredited Trainer.
