### Description:

Halter trained friendly young male, black in colour with a cute white spot on his nose and upper lip. He would make the perfect addition for alpaca walking, or as a pet, as he is a polite boy who is very easy to handle. Part of our "Spice Boys" group it would be lovely to see him go together with Cinnamon and Vanilla as a group. He has a lovely fine fleece with a soft handle and a lovely crimp and comes fully vaccinated, wormed and halter trained.

We are a small but experienced alpaca farm with 12 years breeding experience. You will be offered a comprehensive after sales package which includes full support and advice for new owners and access to one of our BAS affiliated alpaca husbandry courses.
