Beschreibung:

A very pretty black alpaca having a bright, dense fleece. Halter trained, quiet and easy to handle. Her 2024 fleece went to a regular customer of ours, who has a textile business in Japan. Reluctantly for sale as we are having to reduce numbers. All vaccination and medical history provided. NB Will only be sold on her own to join an existing female group. However, we have females of most ages available to join her to make a herd of at least three females, which is the minimum acceptable number for anyone starting to breed. WhyNot give us a ring (07812 158641) if you'd like to discuss options?
