### Description:

Woolville Bubbles is a very stylish and well covered female who has a great pedigree and loads of potential. She has a balanced frame and great presence that commands attention.

Her fleece had good density, high staple length and it is very bright. It is extremely uniform in micron and colour across the body and the potential to fine the fleece up but retain great fleece yields in her progeny is great.

With such a great pedigree that is well known and proven and a mating to our champion black sire, Woolville Bubbles is a very affordable pregnant female.

This halter trained breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
