Description:

A multiple champion, Best of British and Judges Choice Casey Mack was a surprise white female from a coloured breeding programme. However we were delighted when she went on to achieve 2 x SUPREME CHAMPION awards during the Covid lockdown, a time when shows were few and far between.

This girl oozes quality and she has persistently produced Cria with beautifully structured locks with exceptional lustre and a very good level of density.

Due to her coloured breeding background Casey comes with a little 'a' in her genotype meaning she can produce black with an EE aa male.

Casey is mated to Winsaula Jive Talkin', one of our top stud males, out of Kurrawa Rebel on the run imported from New Zealand and has multiple championship progeny on the ground in the UK.

Casey is for Sale as we now have a lovely brown daughter from her.
