Description:

Pandora is an eye catching and very pretty 5 year old huacaya with exciting genetics, and we are selling her reluctantly due to our decision to cease breeding.

Pandora stands on a well proportioned solid frame. Pandora's Grandsire was the multi prize winning Alpaca Stud Nyetimber, and her Sire the Best of British champion Churchfield Bedrock, so this is an excellent opportunity to gain some of those genetics for your own herd.

Pandora is a friendly and inquisitive female, and although not halter trained, will happily stand for a neck scratch and be hand fed. She would make an amazing asset to any herd.

She will need to go join an existing herd of other females or be packaged with two other females that we have for sale.

Pandora is registered with the British Alpaca Society, is microchipped and is up to date with all of her vaccinations and husbandry. Her teeth have also been rasped in November 2025

Only 5* homes will be considered.
