Description:

A very pretty Bay/Black female. See below for results of only times shown. Halter trained; Good to handle and lead around. She has a lovely dense fleece with a very soft handle. Reluctantly for sale as we are having to reduce numbers. All vaccination and medical history provided. NB Will only be sold on her own to join an existing female group. However, we have females of most ages available to join her to make a herd of at least three females, which is the minimum acceptable number for anyone starting to breed.
