Date of Birth: 26th August 2024

Description:

Inferno is an 8 year old female Huacaya alpaca whom has been a real asset to our herd over the last 6 years. We are reluctantly selling her as we have made the difficult decision to stop our breeding programme.

Inferno has given us 4 delightful cria and has been an excellent and attentive mother, birthing with ease and requiring no assistance.

Inferno has not been on a halter for a long time but she is easy to handle and will happily hand feed.

Inferno has a lovely sound conformation and fine fleece, although the quality of this has deteriorated slightly with the amount of effort she has put into her cria! She has not been mated for 2025 due to a lack of time.

Inferno will need to go join an existing herd of female alpacas or be packaged with some of our other females to make a herd of at least 3.

Inferno is registered with BAS, is microchipped and is up to date with all of her vaccinations and husbandry. Her teeth have also been rasped in June 2023 and September 2024.

Only 5* homes will be considered.

Number of Crias bred from female: 4
