🏆 Winsaula Brie 🏆

Rose Grey - Suri

Description:

Winsaula Brie is extremely well grown for her age and certainly commands a presence in the ring exhibiting very strong substance of bone. She exhibits a highly lustrous fleece with good density and a wave and twist lock style.

Winsaula Brie has been genetically tested at Neogen Laboratories and is confirmed as a true Classic grey, although she presents as a Cryptic grey

Brie has an enviable pedigree jam packed with Macgyver a USA 8 times Supreme Champion, a double dose on her Sires side and a third line on her Dam's side.

Brie is pregnant to our black Herdsire imported from New Zealand and winner of the Best Dark Herdsire for three consecutive years at the British Alpaca Society National Show. We are very excited to meet her 2026 Cria.

Winsaula Alpacas were awarded 2025 Best Alpaca Breeder in the medium size farm category at the British Alpaca Society National Show. We have bred multiple Supreme Champions and Judges Choice awards and were awarded most successful breeder at the Spring Alpaca Fiesta and most successful EAG member at the Eastern Alpaca show. We have been breeding Suri Alpacas for 11 years and offer a full back up service and discounted stud matings to all of our customers.
