### Omschrijving:

Woolville Blossom is a striking young female who has great fibre coverage and a strong presence. She is well conformed in each area and moves with fluidity and grace.

Her fleece is very dense, quite fine, bright and uniform in colour. Each staple is well sligned as the photo shows and she has good consistency across the body.

She is currently empty and will be bred to our two time national champion brown and sire of champions, Toft Timogen at no extra charge.

This breeding female comes with all our normal guarantees including live cria, full veterinary health check and our long

term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
