Description:

Meet Hero, a friendly and well-socialized young alpaca seeking a loving home with companions. This gentle alpaca is good with children and enjoys human interaction, making him a delightful addition to any herd.

Hero's sire, Eringa Park Golden Age, is highly regarded in the alpaca world, demonstrating the quality of his lineage. While Hero himself may not be destined for stud duties, he possesses many desirable qualities and would make a wonderful addition to any herd.

Our gelded boys are sold in groups of three or more after reaching 18 months of age and completing halter training. We prioritise easy handling from the start. Our crias enjoy weekly weigh-ins, and from six months onwards, monthly weigh-ins ensure they are accustomed to human interaction. This regular handling results in calm, easy-to-handle alpacas that are a joy to work with.
