**Fibre Testing Authority:** European Wool Testing Authority

### Description:

Due to an upcoming property sale and the need to reduce our well-regarded herd, we are offering Henrietta at a very attractive price.

Henrietta is a promising young female ready for her first mating in 2025. She boasts a fine, dense fleece on a strong, correct frame and carries an exceptional genetic package. Her pedigree features prominent bloodlines such as Windsong Valley Fire Dragon, Redens Agamemnon, Surtierra Shadow, Lilleyfield Jack of Spades, and Lavender Park Tully, stemming from one of our most successful breeding lines. Notably, Henrietta descends from EP Cambridge Gucci, one of our foundation females whose daughters have consistently produced champion offspring.

Note: Her fleece was cria-sheared and represents 9 months of growth
