We are releasing the extremely successful and well known suri male, Lane House Zephyr.

This is an extremely rare opportunity to purchase a male of such high quality. With 6 Supreme Champion Trophies & 11 Colour Championship sashes under his belt, this male has a very bright future ahead of him. He is an exceptionally advanced suri male with an abundance of density, fineness, lustre and highly aligned wave locking staples. This style stretches all the way down his legs. He is built on an extremely strong frame with fantastic substance of bone and fleece coverage. Sired by 7 X Champion -

Lane House Calypso, he is sure to follow in his father's footsteps in producing multiple champions & supreme champions.

His dam, Wealden Genevieve is also from one of our most successful lines with the advantage of lots of colour, which we expect this male will produce.

He has started working here at Lane House HQ this spring so he is ready for an exciting year ahead!
🙌🏻

We are only releasing this special male as we own his Sire and unfortunately only have a limited amount of unrelated suri females.

This male should be considered by any serious suri breeder looking to breed next level.
