### Description:

Black Tulip is a beautiful true black female, daughter of the impressive Lane House Stormzy.

She carries a very dense, fine fleece with great uniformity of both colour and micron.

She is very well built on a strong frame and has a true to type head and silky muzzle.

She carries an exciting pedigree and would be ideal for the black & grey breeder.

Ready to be mated this spring, her price includes a mating of your choice to one of our elite champion males.
