**Blood Lineage:** Australian

**Date of Birth:** 25th April 2024

### Description:

Martini is a stunning young female with heaps of potential. She is extremely well grown and would most likely be ready to breed later this summer.

Her fleece is very advanced, highly aligned showing excellent density, fineness & uniformity as well as excellent brightness and staple length. She is to be part of our 2025 show team. Her price includes a mating to a male of your choice to one of our elite champion males.
