**Vlies:** (3.)

21.60µ Standardabweichung 4.50µ COV (der Variationskoeffizient) 21.00% SF 21.00µ Wellenlauf 42.60 Grad/mm

Stapellänge 110 mm

(Entnommen an 10/07/2023 im alter von 3 Jahre )

**Faser-Untersuchungsorganisation:** Art of Fibre

### Beschreibung:

Tequila Rose is a stunning fawn, nonbreeding female. Her Dam (Lane House Belissima) and Sire (Kurrawa Legends Bandido) both have excellent genetics having been bred by top-breeder Lane House Alpacas. Tequila is a beautiful fawn colour and has a very fine, dense fleece with excellent coverage. Her latest fibre results taken in 2023 shows she still carries a low micron of 21.6 with an SD of 4.5. With such good fleece traits, she would make an excellent addition to the herd of anyone who is looking to use her fibre to make products. We initially bought Tequila for her striking features and unforgettable presence. She is a very tall, strong set alpaca who is conformationally sound. She has a gorgeous face with a strong muzzle, big, beautiful eyes and a generous top knot. As with her stature, Tequila has a big personality to match and is currently the matriarch of her paddock. She is very confident around people, making her easy to handle and she walks very well on a halter lead. Due to birthing an enormous cria, that we sadly lost, Tequila can no longer breed. However, she is a gorgeous girl with a huge personality and would make a wonderful addition to any herd. All our alpacas are halter trained from 6 months old.

Price: £750 Plus VAT

**Anzahl geborener Crias dieser Stute:** 0
