Description:

Bella is a very well marked leopard appaloosa that has bred either appaloosa or multi cria with various males. Due to a change of direction over the last couple of years we no longer plan to continue with our appaloosa breeding program and all our remaining appies and appie breeding females will now be listed for sale.

Bella is currently open but can be mated to our appaloosa male Chinchero Macchiato.

Number of Crias bred from female: 4
