Beschreibung:

Celeste is a gorgeous, prize winning solid white female.

She has beautiful fleece with excellent coverage. She has fantastic genetics, with her sire (Bozedown Pernod) having won an array of prizes at the National Show including Supreme Champion. Her Dam's Sire is Bozedown Comet II, a prize-winning alpaca who has won Reserve Champion at the National Alpaca Show in addition to a range of rosettes at 1st, 2nd and 3rd place; across a variety of shows.

Celeste has clearly inherited on these superb genetics as she has won Reserve Champion in her Class at The South of England show. She has clearly passed on these fantastic genetics to her four cria who all have first fleeces with a low micron. For example, her first cria's fleece was 15.3 micron (3.1 SD) and her second cria tested at 15.3 micron (3.8SD). In addition to their fantastic fleece she breeds good-looking cria with lovely temperaments – we have already sold two of her male cria to other breeders.

Conformationally, Celeste has a true-to-type frame. She is a lovely girl who is easy to handle and is an excellent mother.

Celeste is currently pregnant to Lane House Emperor's Quest an award-winning white male who won Champion multiple time at various shows including The National Alpaca Show.

All of our alpacas are halter trained, are up to date with all husbandry and if pregnant come with a live cria guarantee.

For Bio Security, all buyers have the option of having their purchased animals wormed with Zolvix and quarantined on concrete surface for 4 weeks before delivery.
