

Fangdale Astra

Price: £1,100.00 (excl VAT) **(SOLD)**

Sire: Fangdale Apache

Dam: Fangdale Galaxy

Type: Female

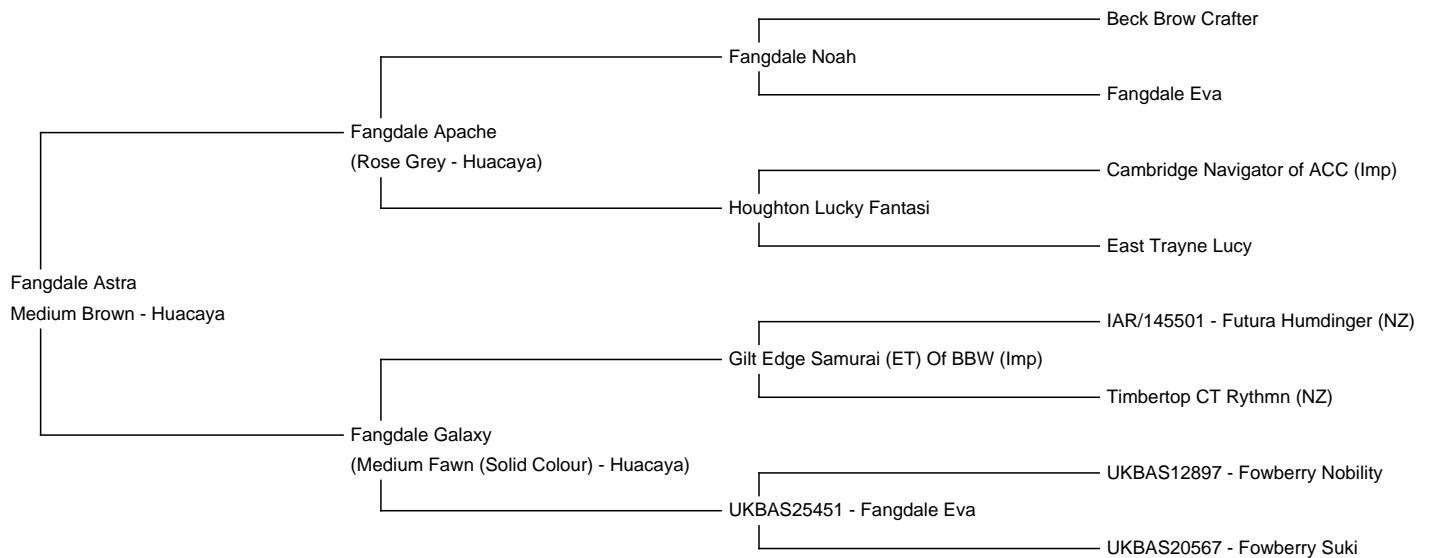

Breed Type: Huacaya

Colour: Medium Brown

Registered With: British Alpaca Society UKBAS47049

Blood Lineage: Australian

Date of Birth: 21st July 2024

Description:

Astra is an eye catching female weanling who we are releasing to a 5 star home. She is fully halter trained, has a lovely friendly disposition and we would offer a discount if she were to be sold with her best friend Lola.

Astra has a beautiful long fleece that is both fine and dense. She also has an impressive genetic background. Her dam Fangdale Galaxy has Futura Humdinger in her background bringing density. Her Sire is Fangdale Apache, a Champion Rose grey male who is now working as a stud male in Scotland. She has potential to produce grey.

We are reluctantly releasing Astra alongside her best friend Lola because we genuinely need to reduce our herd size. We believe she is Show Quality. We would also consider a discount if a breeder was prepared to take Astra and Lola together.

We are members of the British Alpaca Society Trusted Seller Scheme which means you can rely on support, handover documentation and back up support after purchase. We also offer delivery.

Prizes Won:

Astra has not been shown but we would have definitely have shown her.
