Date de naissance: 11/07/2023

Description:

Atholl is a lovely white boy , he is 2yrs old and has had a head collar on but not yet trained to lead , he is , he is still entire at the moment and he currently lives with 2 other boys. Atholl is not suitable to breed with East Challoch Snow queen, they are too closely related, however if you wanted both we could get him gelded and they could then live together. Please ask.

Atholl
