Description:

Etta is a very well grown black female with good uniformity of colour. She is reluctantly for sale, but we are retaining her genetics in her close relatives.

She is halter trained and was used for alpaca experience visits before she was pregnant. She has a kind nature.

She is sold pregnant to King Garth Hipster. In 2024 Etta gave birth to live twins which is a very rare event in the Alpaca world. She was such a good mother to her boys. Both boys had beautiful fleeces (they were sired by King Garth Hipster). Unfortunately, they both died (one in the early days and one at six months) but it was no fault of Etta. She is unlikely to have twins again as it is such a rare event.

Her pregnancy is guaranteed for a live cria on the ground for 24 hrs or a remating to a King Garth Stud male.

Etta is up to date with all husbandry and follow up advice and guidance is available for as long as needed. Delivery can be arranged up to 100 miles of King Garth. 10% Discount is offered on purchases of 2 or more alpacas from King Garth.
