### Description:

Etta is a very well grown black female with good uniformity of colour. She is reluctantly for sale, but we are retaining her genetics in her close relatives.

She is halter trained and was used for alpaca experience visits before she was pregnant. She has a kind nature.

She is sold with a female cria at foot sired by King Garth Solway Sandbar (Timbertop Goldmine son). The cria had an excellent birth weight and continues to grow well. She is one of the biggest cria in the paddock and the youngest. She is light fawn and has very promising fleece.

A mating to a King Garth stud can be arranged so she is pregnant for next year and this pregnancy would be guaranteed for a live cria on the ground for 24 hrs or a remating to a King Garth Stud male.

Etta is up to date with all husbandry and follow up advice and guidance is available for as long as needed. Delivery can be arranged up to 100 miles of King Garth. 10% Discount is offered on purchases of 2 or more alpacas from King Garth.
