Description:

Beck Brow Just LikeThat is an excellent mother, births easily and always has more milk than any other female at King Garth. She is never fails to produce a quality cria. Her dam is Bozedown Magic Charm and her Sire is Timbertop Goldmine so she has some very impressive genetics behind her. . She is reluctantly for sale as I'm sure she has a future of producing more beautiful crias ahead of her but as I have retained several of her daughters, I feel it's time to give someone else a chance to breed from this special female. We are at capacity at King Garth so some difficult decisions have had to be made to make space for this years cria.

She is halter trained and although handleable she is a little grumpy and can spit.

She is sold pregnant to King Garth Hipster, who also sired her very nice 2024 cria King Garth Nora who is part of the National show team.

Her pregnancy is guaranteed for a live cria on the ground for 24 hrs or a remating to a King Garth Stud male.

Just Like That is up to date with all husbandry and follow up advice and guidance is available for as long as needed.

Delivery can be arranged up to 100 miles of King Garth. 10% Discount is offered on purchases of 2 or more alpacas from King Garth.
