### Description:

Meet Pansy, a lovely 3 year old mid-fawn female.

Bred last year for the first time, we are hopeful that Pansy is expecting her cria in the summer of 2025. As it's her first mating, we're keeping our fingers crossed for a little arrival!

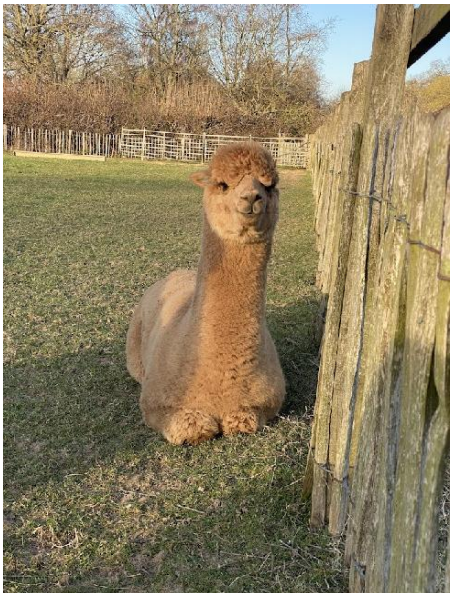

Pansy boasts lovely dense fleece with a bright handle, making it perfect for fibre production and showcasing her strong genetic background.

Pansy was a joy on our alpaca walking experiences, showing a natural aptitude for halter training and clearly enjoying her strolls. She is easy to handle and remains calm and cooperative for all routine husbandry tasks.
