**Description:**

Meet Roo, a lovely 3-year-old dark brown female.

Bred last year for the first time, we are hopeful that Roo is expecting her cria in the summer of 2025. As it's her first mating, we're keeping our fingers crossed for a little arrival!

Roo boasts lovely dense fleece with a bright handle, making it perfect for fibre production and showcasing her strong genetic background.

Roo was a joy on our alpaca walking experiences, showing a natural aptitude for halter training and clearly enjoying her strolls. She is easy to handle and remains calm and cooperative for all routine husbandry tasks.
