Description:

Theo is a super macho male who we have owned for 4 years. He has successfully bred both silver greys and rose greys and even a beautifully marked Appaloosa female Faerie Tale Twinkle.

He is a very confident and successful stud male who tends to get the girls pregnant first time.

We have retained many of his daughters now and found that we are not using him as much.

He is too nice to leave in the field not being used so we have made the sad decision to part with him.

Theo is registered as Medium grey but I would say he is in between medium and dark grey.

Our entire herd has tested TB free in April 2025.
