**Registered With:** BNBAS18726  
**Date of Birth:** 12th July 2023

**Description:**

Meet Gavin, a handsome young roan male coming up to 2 years old.

Gavin is a fabulous walker on halter and clearly enjoys his strolls! He has been trained for all standard husbandry tasks and is a cooperative young lad.

Gavin calmly walks into a trailer and stands quietly and patiently when being handled, making him a pleasure to work with.

Gavin's sire is a multi suri which leaves large potential for producing some interesting colours and fleece.
