Registered With: BNBAS18730

Date of Birth: 7th August 2023

Description:

Meet Pedro, a handsome, dark fawn 2 year old male with a truly gorgeous temperament and solid fleece density.

This well-behaved young lad loves attention from guests and has a striking presence that makes him stand out in the field.

Pedro boasts some of our farm's strongest genetics on both sire and dam.

He is halter trained, handles well for routine husbandry tasks, and thoroughly enjoys going for walks during our alpaca experiences.
