Description:

Beck Brow Just The Business offers a rare opportunity to buy into the elite end of the Beck Brow Herd. Purchased prior to the herd selling, this male was destined for mainland Europe until circumstances changed and the buyer decided to sell.

This male offers superior attributes in both conformation and fleece. More specifically, he has a strong and correct frame that is well balanced, heavy in substance and correct in all aspects of his conformation.

The fleece this male is growing is elite in many areas with high density being the trait that underpins the resulting characteristics. The fibres are bright, long and very soft and exhibit a relatively uniform spread in fineness and colour. His overall stature and presence gives him an excellent look that is desired the world over and with his depth of high quality genetics that flood his pedigree, Beck Brow Just The Business is a must have for all discerning breeders of coloured alpacas.

This halter trained male comes with all our normal guarantees including fertility, full veterinary health check and our long

term advice and support.

Available for domestic purchase and also export to the EU, Norway, Switzerland, India and the Middle East.
