Description:

Adorable since the day he was born. Leo has grown into a lovely looking and good natured boy. He shares his dams light silver grey fleece with a white face and neck. He also has his fathers looks with Inca genes from his grandfather. He was halter trained at 6 months and has a lovely assured presence and great conformation with a very fine, uniform fleece and good coverage.

Leo can be sold individually if joining an existing group or we can put together a package deal of 3 or more males. Please contact us for more information.
